

Lab: Designing for Social Support

COSC 480: User-Centered Design

Madeline E. Smith

November 9, 2016

Post-Election Reminders

- This election has divided us and many people are feeling scared and isolated today. Please:
 - Be kind to one another and yourselves
 - Listen to and respect other's points of view
 - Take action to improve the
- Remember: Unconscious biases can be embedded in our designs and code,
- Activity: In a circle, take turns sharing a positive thought about a classmate and eating donuts
